

COMMUNITY AGED CARE PACKAGES (CACP)

**Services for older
people to help them
stay at home**

TEAMhealth's services are provided in accordance with the Australian Aged Care Act (1977) and the Community Aged Care Package (CACP) guidelines.

Community Aged Care Packages (CACP) are an individualised planned and coordinated package of community care services designed to meet older people's daily care needs to live independently in the community.

CACP provide Case Management to older people with low to medium support needs.

A small fee per service is charged as per Department of Health and Ageing's guidelines.

Services are provided in the Darwin and Palmerston urban areas.

Referral Guidelines

Indigenous clients must be 50 years and over;
Non indigenous clients must be 70 years and over;
Referrals are only accepted through the Aged Care Assessment Team, Australian Department of Health and Ageing (ACAT).
