

Community Housing Service

We provide non-crisis accommodation options for individuals between the ages of 18 and 64 years, living with a mental illness or mental health concerns.

Individuals who would like to be considered need to be able to live independently in the community and have little or no debts.

We can offer medium to long-term shared and non-shared housing options in a range of units and houses available throughout Darwin and Palmerston.

Payment for accommodation is based on a percentage of occupants' income. Please contact us for more information.

TeamHEALTH actively promotes and supports an inclusive and diverse culture. We welcome all people, regardless of age, gender, race, ability, sexual orientation, faith, religion and all other identities represented in our community.

We accept referrals from all sources, including self-referral.
